

WE'RE BUILDING
SOMETHING BEAUTIFUL
TOGETHER

DISCOVERY—THIS IS A *BIG MOMENT*.

After years of prayer, planning, and persistence, we're officially beginning construction on our **new, licensed childcare facility**—right here in our Kid's Wing!

Construction begins **November 3, 2025!**

For years, Colorado Springs has faced a **critical childcare shortage**. We feel it as parents, we hear it from our community partners, and we believe the church can do something about it!!

This is more than a remodel.
It's a statement:

We're here to support families in Colorado Springs!

We're creating a safe, joyful environment that will serve both our church family and the broader community—a place where kids experience love and parents find hope.

HOW CONSTRUCTION AFFECTS YOU

(NOV. 9, 2025-JAN., 2026)

We'll begin construction **November 3, 2025**, and the first Sunday with changes will be **November 9, 2025**. The project is expected to wrap up by late **January, 2026**, with a goal of reopening our updated Kid's Wing by **February 1, 2026**. *(As with any construction project, dates may shift*

CHECK-IN

Families will continue to check in at the normal Kid's Check-In stations.

Classroom Locations

- **Nursery-1st Grade:** remain in the current Kid's Wing rooms.
- **2nd-5th Grade:** move to the West Wing during construction.
- **Middle School:** will join main worship for the opening worship set, then exit through the left side doors of the main auditorium, and meet in what is currently the Kid's Auditorium.

Facility Notes

- The **back half of the Kid's Wing** will be closed during construction.
- The **West bathrooms** will be only available for for 2nd-5th grade during services.
- Safety barriers and signage will clearly mark closed areas.

WHAT TO EXPECT

We're doing everything possible to keep Kid's Ministry fun, safe, and meaningful through this transition.

Thank you for your patience, flexibility, and faith as we take this next step together.
